PERSONAL PROFILE

I have done my Graduation (B.A.) in Geography, Political Science and Medieval History and Post Graduation (M.A. in Geography) from University of Allahabad. I have done PGDJMC and MJMC from MGAHV Wardha and Certificate in NGO Management from IGNOU. I am UGC-NET qualified in four disciplines - Geography, Population Studies, Mass Communication & Journalism and Women Studies. I have keen interest in writing Hindi poetry and ghazals and have got my book, titled 'Adhure Khwab', published recently. There is also a reference book, titled 'Bhumi Vyavastha Sudhar, Bho-joton Ka Ghatata Aakaar Evam Vartman Paridrishty Mein Chakbandi', by me published in the year 2016.

I hope and desire that every human being receives refined and meaningful education so, as to be able to face and find solutions for the ever increasing problems in the world and thus, goes on to make it a better place to live. If I bring even a slight change that can contribute to the human welfare and nature conservation, I'd consider my hardwork, my education and teaching profession successful. Endeavouring actively in this direction, I hope that I become more and more efficient.
